i-mesh

Integrated design. Infinite possibilities.

i-mesh

- Six mesh colours
- Adjustable arms with soft poly arm caps
- Choice of mesh or upholstered seat
- Height-adjustable lumbar
- Synchronised seat and back tilt
- Tilt tension control
- Optional seat depth adjustment
- i-mesh offers a choice of polished aluminium or black bases.

i-mesh represents the new generation of affordable mesh office seating.

A refinement of function, comfort and style, i-mesh's smart operation concept enables adjustments to be easily made while the user is seated, encouraging accurate positioning and continuous movement. The mesh serves both function and aesthetics, suspending the body in comfort and giving the chair a visual lightness. These qualities yield a new seating experience, one in which technology merges seamlessly with design.
